

*August 2017 South Carolina
Governor Bulletin*

Meet Your Leaders

For The

South Carolina District

Greetings from our 2017-2018 South Carolina District Governor Anna Nunnery

Hello Shining Pilots,

With summer ending and school starting, our children will be returning back to school. This might mean more congested traffic. To keep our precious children safe, you can help by being more careful at school bus stops and school crossings.

August was a month to remember with the Solar Eclipse on August 21st. I hope everyone had the opportunity to observe this awesome sight. South Carolina was one the fortunate states that had eclipse totality and a once in a lifetime experience.

September will be a busy month for both Pilot and Anchors. All anchor club mailings, including anchor award program, officers' and treasurers' forms and dues invoices must be sent to the Anchor Club advisor. A copy must be also sent to the sponsoring Pilot club, Governor, District treasurer, District Anchor Coordinator, and our ECR, Merrily Burns, email: proteatrvi@aol.com. Also, in September the PI Ambassador should be recognized at your club. The \$25 contribution must be sent to International Headquarters by September 30, 2017.

Fall Council will be held at the Embassy Suites in Columbia on October 21, 2017. The registration forms have been sent to all club presidents. If you did not receive the form, please let me know. Fall Council will be a one day event so I would love to see 100 percent participation.

Deadlines always seem to arrive too soon, so if you have an innovative project that would warrant a PIFF grant, you better start writing. Check the PIFF grant application for the October due dates.

Serving as the District Governor has been an honor and I am proud to represent South Carolina. With everyone's help, we can make our District run smoothly and a success. We have a wonderful District and a really qualified group of appointees. I look forward to working with each one. I value every idea or recommendation that you might have, including events for the Governor's Bulletin. My address is arnunnery@yahoo.com. I will send your event to Donna Skipper, Publications Editor. Donna will be having surgery on October 4th and I will be counting the days until she returns. Please keep her in your thoughts and prayers. Good luck, Donna. Have a speedy recovery.

Until next month, always remember, ***"Pilots Shine Like Diamonds and Grow Like Flowers through Friendship and Service."*** South Carolina District Governor Anna Nunnery

Terry Jordan
SC Governor-Elect

My name is Terry Jordan and I reside in Conway SC, with my husband of 45 years, Lavern Jordan. I have two wonderful daughters, Christy Jordan and Maegan Tyler. I also have five amazing young grandchildren. They are: Shelby, Jordan, JohnCarl, Zoey, and Kloey. I have been a Pilot Club member of Aynor for 13 years. I have served as President, President Elect, and Secretary/ Director. I have had the honor of being chosen Pilot Member of the Year twice and Ambassador of the Year twice as well. I have also served as District Secretary for two consecutive years. I am very excited to serve our district as Governor Elect this year. I will be my personal honor and privilege.

Ruth Way
SC District Secretary

Hello, South Carolina Pilots. I am Ruth Way South Carolina District Secretary from the Pilot Club of Orangeburg. I have been a Pilot for 29 years. During this time I have held all positions in our club, including being on the Lifeline Foundation Board. I have held the office of president five times. I enjoy Pilot and love participating in all activities. It is an honor to serve as your District Secretary another year. I look forward to working with many of you.

I have 2 children, 6 grandchildren, and 4 great grandchildren. I appreciate this opportunity to serve. If I can help you in any way, please contact me. Thanks

I was born and raised in Alexandria, VA. My father worked for the Department of Defense in the Pentagon, my mother was a homemaker, and I was one of 8 children-the fifth girl with 3 younger brothers. I attended Catholic school for 5 years prior to completing my education in Fairfax County schools. I then attended and graduated from Virginia Tech with a major in Fashion Merchandising and Apparel Design.

After college I entered the management training program with The Hecht Company and became a Department Manager. I married the love of my life, Scott, in 1980 and began my life as a military spouse. We moved 5 times in the next 4 years as Scott was going through Marine Corps officer and aviation training before finally spending 3 years in one place. In our 28 years with the Marine Corps, we have lived in MD, VA twice, NC 3 times, FL twice, CA 3 times, WA 3 times and Okinawa, Japan. Scott retired in 2007 and began teaching. We moved to NMB in 2009 so Scott could take a position at NMB High School from which he has since retired.

As for me, with the constant moving and the desire to be home with my children, my career life has been sporadic. I often call myself a professional volunteer as I have done much more volunteering than actual working (or should I say my work has been unpaid?). I spent many years as a volunteer with Navy-Marine Corps Relief Society as well as in numerous school systems and various social and military organizations. My current volunteer activities include being a Guardian Ad Litem with Horry County, a Sports Ambassador with the city of NMB, membership in the Pilot Club as well as the NMB Womans Club, Our Lady Star of the Sea Usher and soup Kitchen volunteer, Barefoot Resort Residents Committee and BF Caring Council. I have volunteered at the Monday After the Masters Golf Tournaments, the Carolina Country Music Festival and even 2 Super Bowls!

My “paying jobs” include department Manager at the Hecht Company, Store Manager at Showoff, several positions in banking, manager of The Marine Gift shop, substitute teaching, a year as an aide in high school special education, test administrator and 15 years preparing taxes with H&R Block as an Enrolled Agent.

I have 2 wonderful children, a lovely daughter-in-law and 3 beautiful grandchildren. Rick, Sarah, Liam (5), Everly(3) and Hadley (1) live in Raleigh and Kelly lives in Fayetteville, NC. In addition I have many family members that like to visit NMB so there is never a dull moment!

Vivian Linder

SC District Chaplain

Last month we had some beautiful cool days that I know everyone enjoyed. When things out of the ordinary happen, it gives us the opportunity to praise and thank the Father. I think that often, in our busy lives we forget to be still and reflect on all the wonderful blessings we receive daily. Perhaps those wonderful cool days was God's way of telling us to stop, be still and appreciate Him in our lives.

We all need our Heavenly Father in our lives to guide us through each day of this fallen world that we live in. Isn't it a glorious feeling to know that He hears when we call out to Him? He promised He would take our hand when we are weak and guide us through the hectic journey of life. So often, we forget to call on Him and try to "fix" our own problems, which in most cases will lead to disaster. If we can just remember that we are nothing and can do nothing without God, we would turn to Him more often.

Perhaps there is something going on in your life right now that you can't change, or fix. Know is the time to take it to the Father, give it to Him and leave it there. Remember, once you give it to Him there is no need to take it back. God wants His children to relax, let go and cease striving. When we do this we are telling Him that we trust Him, and we are accepting His invitation to lay down our cares and seek His will and presence.

I know that our Father yearns for the quiet moments we share with Him. God helps us and guides our thoughts as we think things thru in His loving presence. Let us start today by giving all our worries and problems to our Father.

"For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

Hazel Alexander
SC District Fundraising Co Chair

My name is Hazel Alexander from the Pilot Club of Chester. I'm very close to the 30 year mark in Pilot. Over this span, I have been club recording secretary and corresponding secretary, director, various coordinators plus club president several times. On the District level, I have been several different coordinators over the years and also served as your Governor in 2009-2010. It was also my pleasure to serve as your 2011-2012 Pilot International Chaplain. I am excited to have been asked this year to serve as co-chair of Fundraising.

As we make plans for the upcoming year, we often hear comments like "if we had more members we could..." or "if we had more funds, we could..." Please don't let this slow you down from our Pilot vision. Fundraising can be FUN-raising! All of us are not born great salespeople- maybe your talent is in organizing or publicizing the event. Fundraising involves the entire club with each person adding their own special talent to make a success. We would love to hear what your club is doing--- the tried-and-true successes plus the new things you're trying this year. Please share!

Vivian Lee

SC District Leadership Coordinator Co-Chair

I joined the Pilot Club of Bennettsville in September 2000. Along with my mother, Beulah Black (50+ year Pilot), my aunt, Barbara Leviner (25 year Pilot), and my daughter, Jincey Lee (former Anchor and a Pilot since 2015), I enjoy volunteering in our community and promoting Pilot. Becoming a Pilot has allowed me to grow as a leader, not only in Pilot but in my church and my community.

As a Past International Governor (PIG), I am proud to continue to serve SC District this year as Leadership Coordinator along with Past International Governor Shirley King. On the club level, I have served as Membership Coordinator, Chaplain, Director, Recording Secretary, President-Elect, and President. On the District level, I have served as Leadership Coordinator, Fund Raising Coordinator, Convention Photographer, Governor-Elect, and Governor. I thoroughly enjoy attending our District events (Fall Council, Leadership Workshop, District Convention, and Camp Burnt Gin Workday). I have had the opportunity to attend 10 Pilot International conventions, and Jincey was with me at 8 of them (5 as a navigator, 1 as an Anchor, and 2 as a Pilot). I am a very proud Mama and a very proud Pilot!

I look forward to meeting you and growing together in friendship and service.

Judy Langley

SC District PIFF Representative

SC District Pilot International Founders Fund Representative

Member of the Pilot Club of Darlington, currently serving third term as Club President

Past Governor of the SC District and Past Pilot International President

Lives at the lake in Manning, SC with her husband, Rodney, and they are both retired.

Besides Pilot activities, Judy enjoys reading, gardening, and spending time with her family.

Please note Judy Langley's address has changed:

Judy Langley

48 Plantation Drive

Manning, SC 29102

Home Telephone: 803-478-7515

Judy Langley
SC District PIFF Representative

Letter to Club Presidents:

I hope that the information you received regarding Pilot International Founders Fund (PIFF) fundraising has not been confusing. I shared the plans for PIFF Fundraising for the year at PI Convention and it was also included in the Governor's Bulletin. Just to be clear, I will attach a copy of the plan and the form for the first fundraiser. With Fall Council being one day, a plan was developed to work best with a one-day schedule.

The following clubs are asked to bring a fifty-dollar (\$50) item to **Fall Council** for a LIVE AUCTION instead of a silent auction: **Aynor, Bennettsville, Bishopville and Chester**. Our wonderful and talented Celeste Sherer will be our auctioneer!

At the **Leadership Workshop**, these clubs are asked to bring a fifty-dollar (\$50) item for a live action: **Columbia, Conway, Darlington, and Dillon**.

At **District Convention**, these clubs are asked to bring a fifty-dollar (\$50) item: **Evening Pilot Club of Sumter, Hartsville, Kingstree, Marian, North Myrtle Beach, North Augusta, Orangeburg, Seneca, and Walhalla**. Some of these items will be used in a live auction, and the others will be placed in a Silent Auction.

This way, each Club only has to provide one very nice item during the year.

Of course, we want lots of members to participate in the photo contests and raise lots of money for PIFF.

And we do hope every club can be a 250 Club this year.

Thank you all for embracing the changes set forth for this year. We appreciate each and every Club's participation!

Your District Pilot International Founders Fund Representative,
Judy

Club News from Around the State
